INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, it's a brand-new year—the perfect time to do something I haven't done in *waaay* too long: answer your most personal, private, possibly embarrassing questions!

Larry from Texas wants to know, **"Are you bisexual?"**

Yes, one hundred percent! The way I pick girls for the magazine is, Do they make my pussy wet? If yes, they're in! So, being bi is not only fun in my personal life, it helps me on the job. ;)

R.H. from Illinois asks, **"Do you like being fucked by old farts or young studs?"**

Both! To me, a hard cock has no age.

D.B., also from Illinois, would like to know, **"Are you a spitter or a swallower?"**

The last time I got asked this question, the truth came out: I had a bad experience swallowing, which made me not really able to do it anymore. :(But, after I saw my reply in print, I was like, What's wrong with me? Try, try again. So I did—only this time, in my mind I pictured you guys cheering me on. It worked! I can totally swallow now, thanks to *you*.

That was fun! What else do you guys want to know? I'm an open book—and coochie!

toy with me

Hello, everyone! It's Stacy the intern. We last saw Jenna in May 2012. She's not an up-and-coming model anymore—she's an up-and-coming porn star!

Welcome back, Jenna! It's so awesome that you started making movies.
I know! It's been a lifelong dream.
Are you going to keep modeling?
Of course! I love showing off my biteable booty.
What do you do when you're not working?
I love photography and cooking, and I'm learning how to juggle.
Wow! How do you even have time to masturbate? LOL!
I use a toy for quick results. ;) I like to use toys when I'm with someone, too.
What's your favorite toy to use with someone?
A butt plug. It feels awesome in my butt and it makes my pussy feel tighter.
Does this mean you're thinking about trying anal?
I already did! It's amazing. You know I like it rough.
I know—you're a doggy-style fan.
Not just doggy-style—I love to be bent into strange positions. Make a pretzel out of me!
Do you like to get your pussy licked?
It's nice, but I prefer to give. I have an oral fixation.
Do you swallow?
Yes! Cum is gooey-delicious.
Who's your dream guy?
A guy who has manners and doesn't always have to be right.
What's something no one knows about you?
I'm kind of a clean freak, to be honest. I'm always cleaning my apartment.
You sound like the perfect wife—you cook, you clean, and you love sex.
LOL! That will happen someday. For now I just want to play! ★

SEPTEMBER 2012 PANTY CONTEST WINNER!

S.D., the last line of your letter is what every girl longs to hear. We hope you enjoy Jessie's panties!

Dear Jessie,
You are the total package! Innocent, vixenish smile, perky boobs, adorable bubble butt, long legs I would die to have wrapped around me…but your best feature, in my opinion, can be summed up in one word: pubes.

Those pics of you spreading your beautiful labes, showing the moist, heavenly pink inside, nearly blew me away. But the thing that really made my heart beat (and my cock hard) was the tuft of soft pubic hair just above them. One of the things I enjoy most about sex is the scratchy, tickly feeling of a young woman's bush rubbing up against me, and when I saw your pics my imagination went running wild! I couldn't stop fantasizing about what it would be like to have your pubes tangled up with mine while I pounded away at your pussy.

You're completely right when you say that bush is back—in my opinion, it never should have left! No offense to the other models (you are all 10s in my book), but the shaved snatch never did it for me. A gorgeous, full-grown bush is the hottest thing about a woman, and yours is one of the most incredible I've ever seen! Please, PLEASE keep growing it out!

If you give me your panties, the first thing I'll do is look over them closely to see if any of your beautiful pubes were left behind in them (maybe you could help me with that…hint-hint, wink-wink). Then I'll wrap them around my cock and masturbate while I fantasize about fucking your sweet, young, hairy pussy. Whatever happens, remember that you are perfect and don't need to change a thing, especially that beautiful bush!

S.D.

Dear Lindsey,
Thank you and BARELY LEGAL for choosing me as October 2011's Erin Panty Giveaway Contest winner! I never thought I would win such a fantastic prize. Thanks, Erin! You smell even sweeter than you look!! Now I need 99 more pairs of panties so I can make that sleeping bag I was talking about!

Lindsey, I am lucky to have won Erin's sexy panties, but I have not forgotten about your fine, sexy ass, either! I love an all-natural girl, and you have the most beautiful titties I have ever seen. Don't pay those jerks any attention that give you negative feedback. They are mad because their girlfriends are bankrupting them buying tons of cosmetics and plastic surgery and they're still not as hot and sexy as you are! The only change your body needs is it should be sitting on my face right now!! Please don't ever change—if you get any hotter I will explode! I would love to have a pair of *your* sexy panties, too!

Well, I have to go now. Winning Erin's panties and thinking about yours has made me horny again. Think I will go and take Erin's panties for a mustache ride.

S.D.
Louisiana

Aw, thanks, S.D. I can't give you my panties, but I can describe how they look right now: They're white with pink polka dots and a slowly spreading wet spot in the crotch. ;) ***—Lindsey***

Dear Lindsey,
Thank you so very much for all your efforts to find the hottest, hairiest redheads with lots of fur. In the August 2012 issue there's the beautiful auburn-haired sweetie Fawna, who likes guys my age. I'll keep dreaming she's sitting on my face. Hope to run in to her someday. I just love her muff.

Muff Diver
Ohio

I hope you love it enough to see it again, M.D.—Fawna is back next month, in our February issue. Wait until you see her new fancy lingerie! ***—Lindsey***

Hi Lindsey,
Thank you for publishing my letter about budding porn stars (September 2012). If they all could remain like Jessie Andrews, I would have no problem, but so many end up looking too porn. Not looking porn is certainly a great reason for me to subscribe to BL. Please keep up your fantastic talent of picking young ladies for us.

Lenny
by Internet

Lindsey,
You asked in your September 2012 issue if we like for you to feature girls that do porn. There are literally hundreds of girls a year that attempt to make it in the industry—many we will never hear of. If you hadn't featured the following girls, I wouldn't have had so many jerking off sessions to them, because I never would have looked up their names: Zoey Kush and Holly Michaels (Anniversary 2011), Kasey Chase (October 2011), Aubrey Belle (February 2012).

There are so many more I could name, but you get the idea. By watching them in porn, we get to see just how beautiful they are and what incredible bodies they have. Since you don't allow your models to have plastic surgery, it's great to watch all of their perfect tits, whether they're AAs or Ds that flap around. And of course they have the sweetest and most innocent voices.

Please continue featuring the porn models, Lindsey.

Bulldog
by Internet

Thanks for answering my question, Lenny and Bulldog. I'm so glad to hear you say yes to porn girls—because that means we can keep running girls like Jenna J. Ross (see page 6)! Can you believe the cuteness? ***—Lindsey***

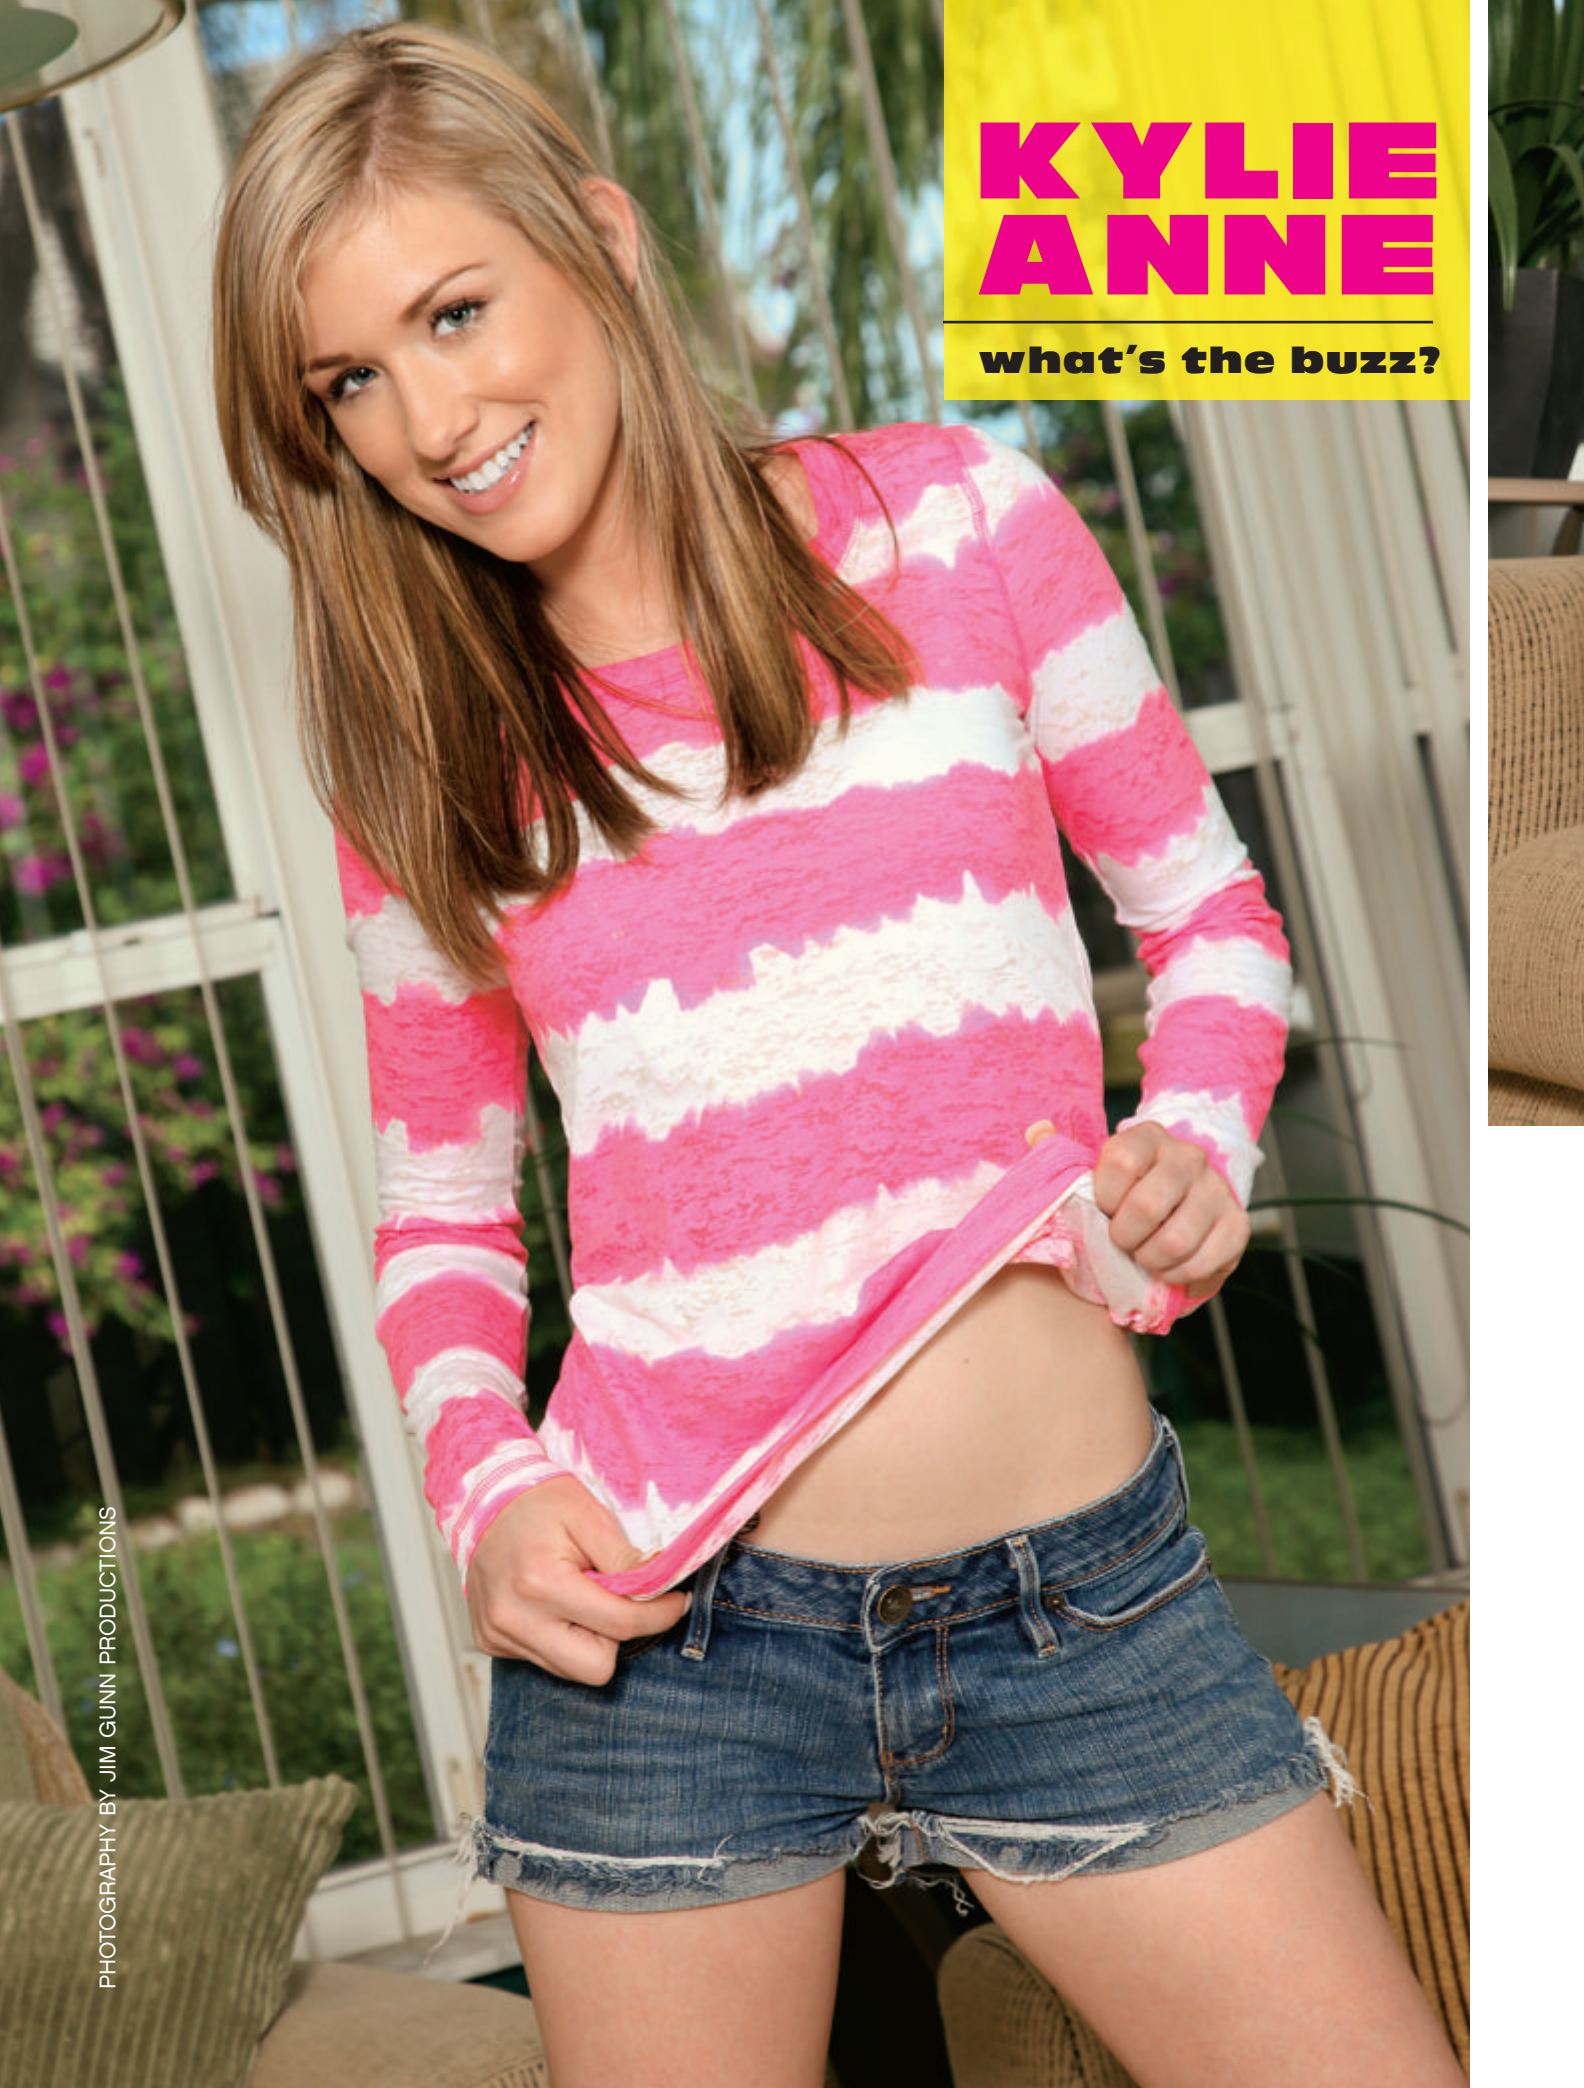
Dear Lindsey,
I am writing to report my return from a year-long deployment in Qatar. Last year, when I heard the news that I was leaving for a year, I almost cried, knowing I would be without BARELY LEGAL. As you may already know, porn mags are not allowed into Muslim countries. I tell you, if they had BL coming to them each month, with all the mouthwatering young babes, the whole world would be at peace.

I missed you guys so much, the first thing I did upon my return was restart my subscription. I also went and bought all the back issues I missed. Man, my dick has been deprived for a year of greatness. I haven't stopped stroking my cock since I returned. The September issue is on fire, with Alexis and her full-frontal shot, Laney dropping it like it's hot in the nude, and Nomy, who lives only a few miles from me.

Lindsey, you and the crew keep it up, and I will STAY UP!!! Good to be back in America with my BL subscription.

M.T.
Virginia

M.T., thank you for your service! It is such a huge honor to hear that you like BL. We will keep it up for you forever! ***—Lindsey***



KYLIE ANNE

what's the buzz?

PHOTOGRAPHY BY JIM GUNN PRODUCTIONS

Hey, it's Lindsey. I'm worried about cute coed Kylie Anne—she needs to spend more time studying books and less time studying her vagina!

Hey, Kylie Anne! Did posing nude get you hot?
Everything gets me hot, so yes!
I notice you brought your vibrator.
I never go anywhere without it. It fits right in the front pocket of my backpack.
You actually whip it out in class?
LOL! No, but I like to have it with me in case I'm stranded somewhere. As a matter of fact, I *miss* a lot of classes because of this stupid thing.
How does that happen?
Well, I like to masturbate when I wake up 'cause it's a great way to start the day. But it feels so good I don't want to stop at one orgasm, so I keep going, and keep going, and the next thing I know, I've missed psychology.
You're going to end up flunking!
I know! And I actually *like* that class.

Calculus, I skip on purpose. I mean orgasms vs. math? No contest!

Do you always use a vibrator to masturbate?

Yes. I like to touch my pussy 'cause it feels nice, but I can't make myself actually *come* that way. I need a vibrator buzzing on my clit.

Would you say you're obsessed with orgasms?

I'm obsessed with orgasms and sex. Why wouldn't I be? What's more fun?

Nothing! Would you ever make a porno?

I made a private porno for my boyfriend back home. I filmed myself masturbating and saying how much I missed his cock.

Did he like it?

I guess not, 'cause he cheated on me right after! The next time I make a porno, it will be for someone who appreciates it.

What's the best way for you to come besides masturbating?

When someone licks my clit and fingers my pussy at the same time.

Do you like to suck cock?

I love to give nice, long blowjobs. I'm really into foreplay.

Do you swallow?

Yes. I like when a guy comes in my mouth or my pussy. Or my butt. I just want it inside me.

So you like butt sex?

I *love* it. To be honest, it's my favorite way to fuck.

I'm surprised you haven't used your vibrator up there.

Who says I haven't?

Just don't miss any more classes!

Lindsey, once my vibe is in my butt, there's *no way* I'm going to class.★

ELIZABETH MARXS

beautiful soul

Stacy the intern here. Professional model Elizabeth is so gorgeous, she's been featured in our daddy magazine, *Hustler* (May 2012)! But there's a lot more to her than looks...

Hey, Elizabeth! How do you like posing nude?
I love any kind of modeling—nude, fashion, artistic, glamour. The best is when I have a great connection with the photographer and we create something amazing together.
Looks like you had a great connection this time.
We did! We unleashed my sex beast. I'm making love to all of you!
***Ooh!* Do you ever disagree with any photographers?**
Rarely. I'm very easygoing and open-minded, I work hard, and I'm not afraid to get dirty.
What do you do besides model?
I'm a photographer myself, plus I do professional makeup and hair and styling. Lately I've been spending a lot more time behind the camera. I'll probably stop modeling eventually.
But you're too beautiful to stop!
Beauty is a soul, not just an appearance.

PHOTOGRAPHY BY MARK LIT FOR DIGITALDESIRE.COM

Who said that?
Me!
What's your favorite stuff to shoot?
Gorgeous girls! It's such a turn-on to photograph them—mentally *and* downstairs.
What do you do for fun?
My work is fun! My favorite thing to do is create.
Even more than sex?
Well, I *love* sex. I can get pretty creative there, too. ;)
In what ways?
Role-playing, dirty talk, making men's fantasies come true.
What's the most recent fantasy you made come true?
The man I was with had always wanted to come all over DD breasts. That was an easy one for me to fulfill!
What's *your* favorite fantasy?
My fantasies are romantic—I want to fall madly in love and be kissed passionately in the rain. And get married.
What's your ultimate goal?
I have so many, but the main one will always be: to be someone's muse. I want to inspire greatness! ★

ANGIE

revenge of the fur

PHOTOGRAPHY BY CLASSY CONTENT

Hey, it's Stacy the intern again. Poor little Angie is being tormented in school—but she's going to have the last laugh!

Hey, Angie! Did you like posing for us?
Yes. I feel cute again!
Why did you ever *stop* feeling cute?
Because of what happened last September, when I started senior year at my new school. A bunch of us girls were changing in the locker room after gym, and when I took my shorts and undies off, they all started screaming and laughing. I wanted to die!
That's terrible!
It gets worse! The next morning at school, I opened my locker and, like, a thousand pink plastic razors fell out. *Everybody* saw. I just ran and left the razors all over the floor.
The girls in your school sound very mean.
It's mainly *one* mean girl, named H_____ S_____.
I know that girl! She wanted to be in BL, but we passed.
You *did*? She's, like, the prettiest girl in the whole school!
She's pretty, but she looked *so* stuck-up. That's not the BARELY LEGAL way.
Now she's *really* going to hate me.
What do you care? You feel cute again!
Yes! Thank you for not making me shave.
We would never ask any girl to change for us. So, have any guys seen your bush up close and personal?
Yes, I've had sex with a couple of guys.
How did they feel about your down-there hair?
They both liked my bush, but one of them said he wished I would at least wax my butthole. But the *other* one, the one I like better, *loves* my butthole. He can't stop licking it!

Do you like getting your butt-hole licked?
I love it! It makes my whole body melt. My brain, too. I'm just a little puddle.

Do you let him bone you in the butt after he licks you down there?
Of course, that's what I want! It feels *awesome*.

Doesn't having awesome sex make you feel cute?
It does, but not like being in BL.

Are you going to show H_____ S_____ your issue when it comes out?
Of course not! *I'm* not a mean girl. Although, if someone *else* shows it to her, I guess I wouldn't mind. ;) ★

DAKODA BROOKES

going up?

Hey, it's Lindsey. Dakoda was our Anniversary Teen Queen of the Month way back in 2008. Now she's all grown up and a Hustler Video superstar!

Hey, Dakoda! Do you still like posing nude?
I love it. It makes me very hot knowing that a lot of people are going to lust over me.
What do you think is your best physical feature?
My butt, because it's a bubble butt!
What kind of guys do you like?
Tall surfer guys or country boys!
Do you like to give BJs?
Yes. I love to please the other person, and I love watching them while I do it because it makes me wet!
Are you a spitter or a swallower?
Swallower. Spitting gets messy.
How do you like to be fucked?
I love really intimate and sensual sex.
Do you like anal sex?
Love. It's a different type of orgasm.
Where do you like guys to come?
In me! I love the feeling, and it gets me off.
What is the naughtiest thing you've ever done?
Skipped church to go fuck someone.
What's the absolute best sex you've ever had?
On top of a mountain. It was so sensual I couldn't keep count of how many times I came.
What's the best way for a guy to get with you?
Make me laugh!
What's your favorite fantasy?
To meet a hot random guy in an elevator, let the elevator get stuck, have hot sex, and when we finally get out of the elevator, we go our separate ways.
What are your future goals, now that you've made it big?
To make it even bigger! ★

HARDLY WORKING

a BARELY LEGAL diary by holly wallace

Hey, guys! Holly here. Remember me (Holly: Fun Fur, December 2010)? Has it really been two years? I can't believe I'm 20! Stoked to be back in the world's greatest magazine.

Lindsey called and was like, "We want you to keep a diary for us, and we want your panties." She's so demanding—LOL! I mean, I already gave a pair away last time I was here. I'm gonna run out of undies at this rate! Oh, well, I'll just go commando. ;D I don't mind. I love that one of my awesome fans will become the proud owner of my skivvies.

It's been a fun couple of years for me. I went to college for a minute, but school is not my thing. I'm not great with too much structure and discipline—unless a hot guy is showing me who's boss. LOL! I'm a free spirit. I love adventure, travel, and romance, and I'm making a fine life for myself waiting tables and working part-time at my fave clothing store, Girl Riot. I keep my lifestyle flexible, just like my body. ;)

Anyway, I'm happy to be here and to share my diary with you guys. Enjoy!

September 14

TGIF! Actually, I'm working a double at Rock N Cocktails today. *Booo!* But that's okay—I'll make some bank. Plus I've got my eye on the new bartender. His name is Jeff and he's big, dark, and a good 15 years older than me—just the way I like 'em! He seems sweet, kinda shy, and *so* sexy. We'll see!

September 15

Last night was crazy busy. And just plain crazy!

We were finally cleaning up and closing down at, like, one. I took my sweet time wiping down tables and rolling silverware 'cause I wanted my coworkers to clear out. Other than Jeff. My plan worked! By 1:30 it was just the two of us. I sauntered behind the bar.

"You need help wiping the rest of those bottles down?"

"Sure," he said. "Thanks."

I picked up a bottle of Captain Morgan and rubbed a towel over it, nice and slow, up and down, twisting my hand around the neck. Jeff was totally watching me. I know he was imagining that bottle was his peen!

I asked him if he had a girlfriend. No, I am not shy! He was like, "No, I swore off women after my fiancée broke my heart."

"That sucks," I said. "I can make you feel better if you want. No strings."

Told you I wasn't shy—LOL! I leaned in close, ran my hand down his chest and over his crotch. His dong was already bulging. I squeezed it.

He groaned. "It *has* been a while."

I unzipped his fly. "You just need someone to show you some love." I dropped to my knees.

I used to be kind of crappy at BJs. It wasn't that I didn't love to suck dick. My crazy gag reflex got in the way. But practice makes perfect, and I am proud to say that I've become a champ.

Magdownload.org

I can take it deep!

I wrapped my hand around his shaft, flicking my tongue against the tip. It was already slippery with pre-cum—yummy! I sucked the head. I slurped him into my mouth, inch by inch. He wrapped his fingers in my hair, pushing me further down his dick. I love that.

I pumped up and down, cupped his balls, massaged them gently.

"*Fuuuck*," he groaned. His dick head bobbed against my tonsils. So good, and no gagging!

"I'm gonna come," he wheezed, pushing my head so he went even deeper down my throat. "Holy shit. *Auuughhhhauuuhhh!!!*"

A fat wad shot straight down into my belly—I didn't even have a chance to swallow! *Mmm*. Cum is yummy.

September 16

Sunday, my day of rest. *Ahhh*. Much needed after another slammed night at work. Plus I slipped Jeff a handjob during his smoke break in the alley. Being a sex bomb is exhausting—LOL!

Well, not so exhausting that I couldn't get a hot masturbation sesh in today. I was surfing the Net and found myself on a porn site—oops! Watched a girl getting doggy-styled *hard*. I love seeing people going at it like animals almost as much as I like being fucked that way.

I was crazy wet. I pulled off my sweats (lazy Sunday uniform) and panties and rubbed my slippery cooch. My clit was swollen. I have to say, when I jerk my poon, I come fast. Almost too fast! But the orgasm—OMG! I squirted all over my hand. And I couldn't resist tasting my cum—it is so sweet! I love the taste of my pussy.

All right, it's nap time. Ordering a pizza tonight and watching the *Teen Mom* marathon. That show is a train wreck!!! I mean, it isn't that difficult to avoid getting pregs.

September 18

The wildest thing happened last night. I never quite thought I was bi. Guess I am!

When I started my job at Girl Riot, Laura showed me the ropes. She and I became BGFs, like, right away. We love so much of the same stuff: bad TV, travel, Dave Matthews Band. Also, I admire Laura's beauty. I am proud to be a ginger, but I've always thought that brunettes are amazing. Especially curvy ones, and Laura is definitely that.

Last night after work, we went for burgers and shakes. I invited her over after to watch the latest Kardashian episode. Same kind of stuff we've done a million times already. Laura was talking about how hot Kim is, and I agreed, except I think she wears too much makeup. Then Laura told me that sometimes she thinks she's kind of a lezzie because she has fantasies.

I was like, "I don't think that's gay—girls are open-minded that way."

She turned and looked me straight in the eye. "No, seriously. I might be kind of gay."

I didn't know what to say. I mean, I felt kind of awkward, but at the same time, there was this fluttering in my pussy. And I couldn't stop looking at her boobies. I wanted to squeeze them. So, I did.

Laura sighed and closed her eyes. "Take my shirt off and lick my nips."

What's up, straightforward? I like that trait.

I pulled her top over her head and popped off her bra. Her boobs were like, *sproing*! OMG, they were so pretty, like big, juicy peaches. My mouth actually watered looking at her soft, puffy nipples. How gay is that?!

I cupped her tits and licked her nips. I sucked them into my mouth, one by one. My cooch gushed. I never imagined how horny it would make me to suck on boobs! Then Laura was all, "I want to lick your pussy."

Who's going to turn down cunnilingus? I wiggled out of my jeans, stretched out on my back, and spread my legs.

"Your pussy's so cute," Laura said. "I love your fuzzy little ginger muff."

I giggled. I do enjoy having a little fur on my cooch.

She slid her head between my legs and rubbed my pussy.

"You are so wet," she said. "I'll bet you're tasty."

She licked me, sliding her tongue over my clit and sticking it in my hole, the tip wiggling. She spread me open with her fingers and plunged deeper, wrapping her mouth around my mound and sucking.

"Oh, God," I moaned, rocking my hips, pushing my cooch deeper into her mouth.

Laura dug her fingers into my butt cheeks, squeezing. She tickled my tooter hole with her thumb. I'm not used to having my butthole rubbed, but wow.

"You're making me come," I panted, squeezing my boobs and thrusting my crotch. I was totally fucking her mouth. She slurped and sucked. She was making me crazy. I threw my head back, dug my fingers into her shoulders.

"*Awww awww wheee!*"

That orgasm was no joke. The entire apartment complex probably heard me.

Lordy. I might have to do that again.

September 20

How did I manage to have another day off? LOVE! Watching *Borat* for the billionth time. I know, that movie is ancient. But it is the most hilarious thing ever, and I would love to suck Sacha Baron Cohen's big ol' fat cock. Then I would like for him to slam me from behind. Maybe even in *Borat* character. Kidding—LOL!

'K, time for some Cherry Garcia and a nap. Have you noticed how much I enjoy a good snooze? My number-one favorite leisure-time activity aside from TV and snacking. And sex. ;D

September 22

Another long, slammed shift at Rock N Cocktails.

I think Jeff likes me. He asked me if I liked jazz, said there was a musician playing at a club tomorrow night. I don't like jazz at all, but I thought that was sweet, so I lied and said I did. Guess we have a date! So much for swearing off girls, huh? *Ahh*, the power of a good BJ.

September 24

I totally just slept till noon. What can I say? Jeff wore me out in the very best way.

We went to the little music club. I was like *zzzzzz*—jazz is so boring! But it was nice to sit close to Jeff. He smells good, and he's a sweet date. He wouldn't let me pay for anything and was such a gentleman! At least until we went back to his place.

He poured us some wine and we sat on the couch and listened to John Coltrane. (*Who?*) Snooze. But it was romantic.

We started out innocently enough. He asked if he could kiss me, and I was like, Duh, of course! We made out for a while—he is a great kisser! He slipped his hand under my shirt and rubbed my boobs. He lifted my top and told me my tits were amazing. He sucked them. I stroked his crotch. We started getting hot and heavy. He unzipped his fly and pulled out his dick. His cock was so great-looking! I jerked him slowly.

"Harder," he huffed. "Pull it."

I tugged.

"Like you mean it!" he growled.

He was bringing on the beast! I jacked harder, faster.

"Show me your pussy."

"I'll be gentle."

I rested my head on the cushion, closed my eyes, and stuck my ass in the air. Jeff spread my cheeks and stuck his tongue in. Oh. My. God. How had I never been rimmed before? He licked and sucked my asshole like it was the yummiest thing on earth. What a heavenly feeling. I felt totally open. Ready.

He stuck the tip in. My heart jumped. I was a little nervous, but super horny. Nice and slow, He inched in. I breathed, rocked my hips. Before I knew it, he was all the way in. And you know what? It felt GREAT.

It's like, this deep part of me was being rocked, like an itch I didn't know I had was being scratched. My insides were exploding. I was like, "Omigod, I am going to come in my butt!"

I like being bossed around a little. He was being so assertive! I pulled off my pants and spread my legs. He rubbed my pussy, then stuck a finger in my hole.

"It's so tight," he panted. "You gonna let me fuck it?"

I nodded. He grabbed my waist and flipped me over. He wanted it from behind, my fave! He squeezed my butt cheeks, spanked me, spread my lips. I gasped as his big cock sank inside.

"Hot little pussy," he panted. "Sweet round ass. You gonna let me fuck your sexy tushy?"

Whoa, what?

I had never done it in the butt. I've been curious, but also worried it would hurt my toot. Still, I'm always up for trying things.

"I've never," I said.

He spit on my booty hole.

I know, right? I had no idea! Jeff cupped my tits, nibbled my neck. His cock pounded my ass. I threw my head back, gritted my teeth.

"Oh. My. Oh. YEAUUUHHH!"

I've never felt an orgasm like that. It was on a whole different level. I just laid there, completely wiped, with Jeff's jizz dribbling out of my butthole.

Anal might just be my new favorite thing.

September 25

Still thinking about the other night, with Jeff. Which gets me thinking about Laura. What is it with me and my coworkers? I'm doing crazy things I've never done before. It's kind of awesome. Maybe I should get a third job—LOL!

My life. It's pretty great.★

TONYA

PHOTOGRAPHY BY E.I.P. STUDIOS

Magdownload.org

Hey, it's Lindsey. You guys might not know it, but one of my all-time favorite actresses is Drew Barrymore. Seeing high school senior Tonya in person is like seeing Drew in person—but *naked*.

Tonya, you're so cute I can hardly stand it!
LOL! Thanks! I wish you were a boy.
Oh. Does that mean you don't like girls? :(
I like girls as friends. Romantically, I like boys.
A *lot* of boys?
I'm not *super* popular, but I have some experience.
Why did you want to pose for us?
To show that girls who aren't super skinny can still be models. I like the way my body looks, especially naked.
Me, too! What do you think is your best feature?
Definitely my butt. It gets lots of comments.
What do you do for fun?
My favorite thing to do is cook.
What's your best dish?
Pasta. I make the sauce myself from my own recipe. I bake bread, too, and make soups. I love to cook. I love food!
What's your favorite thing to eat?
Penis. LOL!
Seriously—do you like to suck cock?
I love it. It feels amazing in my mouth.
Do you swallow?
I'm learning how, gradually.
Do you like when guys go down on you?
I do, but sometimes I feel guilty 'cause it takes so long to work.
You could always give them an extra-long BJ to make up for it.
I do!
What's your favorite way to fuck?
I like for the guy to be in charge and do me hard from behind. And spank me.
Where do you like guys to come?
On my breasts.
Have you ever had anal sex?
I *love* getting fucked in the ass. Omigod, that sounds so dirty when I say it out loud!
What do you like about butt sex?
Well…I guess the dirtiness! But it feels good, too. It feels really full and nice.

AGE: 18
HEIGHT: 5-4
WEIGHT: 128 POUNDS

HOMETOWN: WATERBURY, CONN.

Do you like it better than regular sex?
Honestly? I think maybe I do. I hope that doesn't mean I'm a perv.

You're a very cute perv. What's your favorite pervy fantasy?
Sex with two guys at the same time.

How did you like your first nude-model shoot?
It was *awesome*. I think I might explode when I actually see myself in print! ★

BARELY LEGAL BOX OFFICE

We girls at BARELY LEGAL think the best person to judge the realness and hotness of a legal-teen video is a real, hot legal teen. Here to review our latest release is this month's guest critic, Dakoda.

Sierra shows Alex who's boss.

Casey's all, Where's Taylor when I need her?

LAME, BUT BETTER THAN DOING HOMEWORK. ★	GOOD ENOUGH TO COME WITH THE HELP OF A FINGER. ★★★
DECENT, BUT FORGETTABLE, LIKE DRUNKEN MACKING WITH A CUTE STRANGER. ★★	THE BARELY LEGAL BOMB! ★★★★

TEEN TRUTH OR DARE

★★★★

HUSTLER Video. Director: Otto Bauer. Starring: Vanessa Cage, Bella Luciano, Kaci Starr, Casey Cumz, Taylor Russo, Sierra Day, Ryan Driller, Billy Glide, Eric John, Alex Gonz, and Otto Bauer.

Here's the truth about me and porno themes: They might be cute, but I ignore them. I wanna get to the filthy stuff—like dirty Sierra Day! When Alex Gonz sticks his finger in her butthole, she pulls it out, and I'm thinking, What a scaredy-cat, but no—she sticks it in her mouth so she can taste her own ass! She's also not scared of cocks the size of her forearm. Personally, I might start out a little slow while sitting on Alex's giant peen, but Sierra plants her feet and *slams* her body down, slapping her juicy butt cheeks against his thighs. She's so aggressive! Vanessa Cage is the opposite. Otto Bauer makes her suck his crooked dick upside-down while laying on her back, powerless. Once she's done choking, he twists her into every position ever invented and fucks her until she's yipping like a sad puppy. (Don't worry—that's her *happy* sound.) The cutest girl in the movie and probably the world is Kaci Starr. She's got a little pooch, a tiny bush, and adorable dimples that disappear when stretched to the limit by Billy Glide's tall-boy boner. Kaci spits out about a gallon of saliva to lube up that monster cock and protect her pussy—you can totally hear the squishing when she rides him reverse cowgirl! But getting back to the cuteness: When Kaci opens her bunny mouth and sticks out her tongue to catch Billy's load, you will seriously pass out. I did! But I woke up in time to watch Bella Luciano give Ryan Driller the longest, lustfullest BJ on record—a good lesson for me, since I tend to rush. Unfortunately, I ended by watching the *meanest* scene ever: Taylor Russo and Casey Cumz are making out, and it's superhot, and then Eric John comes in and I'm all, Yay, a threeway—and Taylor gets up and leaves! Don't *tease* us, you guys. Oh, well—just skip them and watch Kaci over and over again, like me. I dare you to keep your hand out of your pants!

To order your copy, please go to page 104.

Don't *ever* interrupt Bella.

Kaci, stop being so cute...

...you're going to make us pass out again.

Vanessa doesn't mind being manhandled...

...in fact, she likes it!

HILARY

tastes like nasty

Can you believe there was a time in 18-year-old Hilary's life when she didn't like the taste of semen? All her BGFs were swallowing spunk like it was ice cream, but Hilary couldn't stomach a taste of her druggie boyfriend Fred's load without gagging. Hilary thought she was a total freak until she read the truth about spuzz in an old *Girl Talk* column. She had no idea that drinking too much beer affected the taste of a guy's splooge.

As an experiment, Hilary dumped her beer-guzzling beau, Fred, and hooked up with a health freak named Jeremy. One night, after a Legalize Hemp rally, Hilary took Jeremy's turtlenecked prick down her throat until she felt it twitch. Hilary was scared, but she closed her eyes and swallowed the warm, creamy hippie spunk. It tasted like vanilla soy milk. Thanks to BARELY LEGAL, Hilary has gone from a spuzz phobe to a spunk-a-holic. Who says women never benefit from porn? ★
